

Use of Indicators at MPDC

MARCO 27 August 09

What do we have to do?

Monitoring

- The state of the environment (or part of)
- Efficiency & effectiveness of policies, rules or other methods of plans
- Exercise of any functions delegated or transferred by it
- Exercise of any resource consents
- State measures to be used to assess progress towards community outcomes
- State how we will monitor community outcomes

RMA

LGA

What do we have to do? Continued

Reporting

- **Every 5 years policy and plan effectiveness eg District Plans (RMA)**
- **Every 3 years progress on community outcomes (LGA)**
 - Must report every year in annual report any measurement undertaken on community outcomes

Integrated Monitoring

- **Makes best use of existing information & gathering systems**
- **Various connections between roles & responsibilities of Council**
- **Can provide linkage at national, regional & local levels**

SOE Strategy

- **Developed in 1999**
- **Based on District Plan policy, resource consent, & complaint monitoring**
- **Utilised pressure, state, response model**
- **Strategy in action 9 years**
- **Collection of data throughout organisation, region, other organisations, etc – formal partnership EW**
