

MARCO Indicators

- Where to Next

?

MARCO Work Programme 2009/10

1. Waikato Regional Perception Survey
2. Web application – Report Cards
- 3. Review of MARCO indicators**
4. Up-dating MARCO Indicators
5. Communication – reporting to SPN and others
6. New indicator developments & innovation
7. Review and develop 2010/11 Work Programme

Task 3 - MARCO Indicator Review

Review current indicators – closer alignment with TA indicators

What is currently available

- **Workshop 27 August 2009 - today ✓**
- List and map the current CO indicators used by Waikato councils ✓
- List and map against WDHB Health Indicators (✓)
- List and map against other relevant indicators (national – MfE, MSD, Quality of Life, MED, MCH, OECD etc) (✓)

What we need to do

- Identify and prioritise MARCO indicator requirements
- Gaps analysis
 - Collate what we have and identify any additional data/information gaps

Collaborations

- Waikato TAs and WDHB
- MfE National Reporting Working Group & Anew NZ (e-Library)
- DIA initiative (Ann Pomeroy paper to CLOGS)
- SNZ (e.g. alignment with sustainable development indicators)

Linking Local/Regional to National Reporting
