## Goal

The sharing and coordinated gathering of information that is of common interest to local authorities in the Waikato Region.

*We can only manage what we know.*

## Waikato Information Forum - WINFO

# Partnership for Data & Information Sharing

- **We all have similar info requirements**
- **Benefits of data sharing:**
  - **Better access to info (within/between org)**
  - **Avoiding duplication, ensure consistency**
  - **Saving time and money**
